STOP – IMPORTANT

Do you cross over and avoid eye contact if you see Christians on the streets? I know - I do too! To be honest I avoid anyone on the street who is trying to sell something or take my personal details or force me into giving to some unknown charity. Do you think the bible is just stories? Maybe you use Jesus Christ as a profanity or a shout of surprise. Why not any other name? In the past I did all of those things but I couldn't tell you why. I had no reason to do them. Here's the truth. Christians are not trying to sell something. They have a message that you can take or leave. It's up to you. If anyone quotes from the bible it's because they have found it to be the truth. Again, you can take it or leave it – though it could be a good idea to check it out. Swearing by any name is just a waste of energy. The important message? I believe that Jesus is the Christ, that he died in my place so that I don't have to face God's judgement for breaking God's laws. I believe that I will live in eternity with God in heaven because of Jesus. Your choice now.
