

The Church of St Mary the Virgin, Kingswood

**Please tell us
what you think
about St Mary's**

St Mary's Church will be facing a number of changes in the next few months. These include our long-establish priest having recently retired, our organist and one of our church-wardens retiring soon.

Together these challenges gives St Mary's an opportunity to take a fresh look at our church and how we seek to serve the community. As part of the process of finding a new priest the Church Council will be producing a statement about our plans, but before doing so we wish to hear your views.

Please take a look at the questions we have posed, answer any that you can. Return completed forms without contact details into the box provided in the church porch by 7th January. Please also take extra copies and encourage other members of your family especially children, to take part.

*Thank you for helping us with this, from all the
members of St Mary's Parochial Church Council:*
